

Human Resources Director - Asia Pacific

- **US Multinational - IT Sales & Manufacturing**
- **Singapore based covering Japan, India, Korea and ASEAN region**
- **Support massive expansion**

This company has extensive international presence, is highly profitable with strong revenues to support aggressive expansion. It is a Fortune 1000, Nasdaq 100 and S&P 500 Company.

You will report directly to the Senior HR Director for the region, who is taking on a senior strategic leadership role in the business. Your primary responsibility is to drive, lead, manage and build the HR team, as well as provide strong HR operationally. Equip this rapidly expanding business with human capital and organisational excellence to reach its aggressive goals. You will be responsible for approximately 3000 employees across Asia and have three HR Managers reporting.

You have at least 10 years experience in a generalist HR role and possess strong commercial acumen in a sales and manufacturing environment across multiple cultures.

This is a wonderful opportunity to gain international experience in a world wide growth company. An appropriate salary package will be negotiated and relocation expenses will be covered for you and your family. If you would like to discuss this career defining opportunity please contact **Michael Green**, Director, quoting Ref. No. 26144.
