

# donor service manager

- Assist international communities
- Customer database experience welcomed

Catholic Mission is the Australian arm of the Catholic Church's global mission aid agency and part of a worldwide network supporting communities in need in more than 160 countries across Asia, Africa and South America.

This role will manage the donor service team to maximise fundraising income and provide excellence in servicing existing and potential donors.

You have strong technical competence in database systems, excellent customer service skills and a demonstrated ability to effectively manage or supervise a team.

**To express your interest in this position please call Olivia Ryan on 02 8243 0570 or forward your resume to [cv@ngorecruitment.com](mailto:cv@ngorecruitment.com) quoting reference # 28350.**
