

financial controller

- **Multinational – Heavy Equipment Distribution**
- **Excellent Management Producing Excellent Results**
- **Real Career Path**

This is a newly created role with a clearly defined career path and is designed to provide strong support to the CFO.

The company is a world renowned manufacturer and distributor of capital equipment and has an established and successful Australian presence. Recent years have seen outstanding increases in profitability and sales have grown to over \$1 billion.

You will be supported by strong financial, management, tax accounting and credit teams, based in Sydney as well as some interstate offices. SAP has been implemented and to fully utilise this system it is mandatory that you have experience with this. A complex maintenance & service environment adds to the challenges of the position.

You are currently a degree qualified Financial Controller of a large complex business and MUST have SAP experience. If this sounds like the opportunity you are looking for then it probably is. To discuss your relevance please call Michael Green.
