

risk & compliance associate

- CBD Based – Brisbane Head Office
- Boutique Fund Manager

VIENTO
GROUP
ALTERNATIVE INVESTMENTS •

Viento Group is a dynamic and innovative boutique Investment Manager, ASX listed and with a 7 year track record in funds management. The Group manages alternative asset investments to deliver clients with absolute return focused investments.

Reporting to and directly supporting the Head of Risk Management & Compliance, key responsibilities of this role include systems management, analysis and monitoring of all operational risks as well as comprehensive reporting. This role also has a strong relationship management focus, working closely with external partners and service providers.

You have highly developed analytical skills, experience in risk and regulatory compliance and good understanding of financial markets, particularly in funds management, together with demonstrated relationship building skills.

This is an excellent and unique Brisbane based opportunity. To apply, please submit your resume to cv@bradmanrecruitment.com or call **Louise Furlong** on **07 3303 0218** for further information.

This is an exclusively listed position and all resumes are to be submitted through Bradman Recruitment.

**Bradman Recruitment – Level 30, AMP Place, 10 Eagle Street, Brisbane 4000.
