The Wilderness Society is a national, community-based environmental advocacy organisation whose purpose is protecting, promoting and restoring wilderness across Australia.

This is an exciting new role for a senior manager with extensive experience in face to face fundraising or direct sales. It offers the opportunity to develop and grow the Wilderness Defenders donor program currently raising up to \$12 million a year, with responsibility for strategic direction and management.

You are a strong leader able to inspire and motivate young, dynamic teams to achieve income targets. You have strong budget management skills, including setting income targets, analysing results and developing strategies to improve outcomes. A self starter, you will relish the opportunity to use your highly developed skills to fund campaigns to save our wilderness for the future.

If you are passionate about nature conservation, grab this rare opportunity. Send your resume to ngo_145@ngorecruitment.com or call Heather Knights on 02 8243 0570.
