

outstanding accounting opportunities

This world renowned manufacturer and distributor of capital equipment has an established and successful Australian presence. Recent years have seen outstanding increases in profitability and sales have grown to over \$1 billion.

management accountant

- **High Profile Role Liaising with Senior Management**
- **Sophisticated and Complex Finance Environment**

Whilst this is a varied position there is a strong emphasis on the detailed preparation, analysis and interpretation of financial and operating results. This will involve interaction with all business users ranging from General Managers to Regional Managers around the country. A complex maintenance and service environment adds to the challenges of the position.

You are currently a degree qualified accounting professional with two to three years experience and an eye for detail. You have SAP experience and are seeking your next challenge. You have above average communication skills and enjoy interacting with management. A six figure salary package plus bonus can be negotiated. Please send resumes to brg_2100@bradmanrecruitment.com

If you are looking for your next step up in a vibrant, growing international company then this is your opportunity. If you would like to discuss these career enhancing opportunities then please call Amelia Kinsella or Michael Green.

**Bradman Recruitment – Level 6, 60 Carrington Street, Sydney 2000.
P: (02) 8243 0500 F: (02) 8243 0599**

financial accountant

- **Six Figure Package**
- **Not a Backroom role!**

Reporting to the Finance Manager and working in a small team you enjoy resolving and breaking down problems in order to produce timely and accurate reports. You will prepare, reconcile and analyse the accounting statements and reports of the various legal entities to ensure the integrity of the Group's financial records.

To be successful in the role you will need above-average communication skills and enjoy interacting with all levels of the business. You will be continually challenged due to a 6 monthly job rotation scheme. You have experience in a SAP or similar ERP environment. Please submit resumes to brg_2101@bradmanrecruitment.com
