

Branch Owner/Manager - Retail Banking – Australia Wide – multiple opportunities

- Profitable & Rewarding Career
- Be Your Own Banking Boss
- Very lucrative deals to get you up and running

Are you a banker who loves the idea of self-employment? This is the opportunity to join one of Australia's fastest growing banks as a Branch Owner/Manager.

If you have solid experience within retail banking but are frustrated with the restructuring and hierarchy why not break out of the cycle and own your own branch?

We are offering the unique prospect of joining the large number of successful Owner's and Managers who have already built sustainable and profitable businesses from the franchise plan. There are already 200+ branches operating nationally, and many success stories to be told!

We are seeking ambitious, commercially minded entrepreneurial bankers who want to grow a business with the backing and expertise of high profile financial institution.

You will ideally have experience within retail banking/commercial finance and had direct experience in sales and lending at least AUD\$4,000,000 per month in mortgages and small commercial loans.

****Due to current market conditions the client is offering some very lucrative deals to get you up and running. These are some never to be repeated deals so some real bargains to be had! So if this business model appeals to you now is the time to become your own boss! ****

We have opportunities in all Capital cities as well as regional areas.
