

manager, community legal centre

- **Lead a team assisting the disadvantaged in Melbourne's west**
- **Social justice and human rights focus**
- **Full time or 0.8 FTE position**

BrimbankMelton Community Legal Centre (BMCLC), an initiative of Community West, provides free legal advice to the disadvantaged of Melbourne's outer western suburbs. Operating from dual sites in St Albans and Melton, BMCLC also undertakes community legal education programs and advocates for a fairer legal system.

Reporting to the Executive Officer you will be responsible for operational management of BMCLC which includes leadership of a team of up to seven paid and pro bono community lawyers, compliance with contract and statutory requirements and development of external networks and stakeholder relationships. You will work to ensure BMCLC offers the highest standards of legal practice and seek business development and funding opportunities.

You possess team leadership experience and demonstrated operational management skills. Ideally, you have an understanding of the management of legal services not necessarily as a lawyer.

However, you might have worked in another sector in a complex operational role successfully balancing stakeholder interests. Importantly, you are committed to the principles of social justice and to contributing in a community-oriented setting.
