

business development manager

OCTEC LIMITED

- Aged care, community & health sector focus
- Award winning regional RTO
- Orange, NSW based

OCTEC is an award winning provider of nationally recognised training qualifications to staff in the aged and community care and health sectors. In partnership with industry, OCTEC operates in over twenty centres throughout regional and remote NSW from Broken Hill to Bateman's Bay and from Tamworth down to the Victorian border.

Reporting to the CEO this role will be responsible for the development of all aspects of the training program including the growth of the aged care business and expansion into new sectors including disability and acute care in public and private hospitals. You will also be responsible for tender identification and preparation, industry liaison and the customisation of training packages.

You have an extensive network within the aged care, health or broader community sector and able to demonstrate your ability to grow a business unit. Ideally you also have a working knowledge of training frameworks, an awareness of the vocational education and training sector and an understanding of labour force requirements.

If building an ethical business in best practice vocational training is a career motivator please phone Richard Green on 02 8243 0570 or send your CV to cv@ngorecruitment.com quoting #30870
