

# business manager

- **Peak medical association**
- **Build excellence in general practice**
- **Improve health outcomes of the local community**

The Northern Sydney General Practice Network (NSGPN) provides 'whole of practice' support and education to 430 doctors. Its mission is to improve the health outcomes of the local community by encouraging GPs to work together and, with other health professionals, to deliver quality health care.

You will manage day to day operations and ensure compliance with relevant legislation, contracts and funding agreements. You will be responsible for business, financial and human resource management, quality improvement, OH&S, and liaison with GPs, other health professionals, and relevant stakeholders to assist with local capacity building and linkages.

You are an experienced manager with excellent staff management and business development skills. You have a track record in accreditation, program development and delivery, and demonstrated high-level administration skills. Your experience in member or client liaison and strong communication skills will ensure positive relationships with internal and external stakeholders. Exposure to Divisions of General Practice or the health sector would be highly desirable.

**If you want to improve the quality of health services in your local community please call Olivia Ryan on 02 8243 0570 or send your resume to [cv@ngorecruitment.com](mailto:cv@ngorecruitment.com) quoting reference # 29890.**
