

ST GEORGE COMMUNITY HOUSING LIMITED

chief operating officer

- Award winning community housing provider
- Rare leadership role in the sector
- Internal and external focus

St George Community Housing (SGCH) is the largest, commercially and government funded, community housing provider in NSW supplying over 2,400 homes. SGCH also has a strong focus on tenant participation and is committed to improving the environment and lifestyle of its community members.

You will lead the senior housing management team and implement the strategic, operational and risk management plans. A key focus will be on contract management, systems, processes and project management. You will provide high level advice to the CEO, senior management and Board.

You have experience in social housing management, funding and in the principles of access equity, cultural diversity and client service. You are currently a senior manager with a key focus on contract, program, risk and people management.

If you're a passionate senior manager and want to advance your career in an award winning, best practice housing provider then forward your CV to cv@ngorecruitment.com quoting reference #29342 or phone Richard Green on 02 8243 0570.
