Hume Community Housing is a provider of a range of tenancy, property management and support services to individuals and families in Western Sydney. Hume works to provide high quality homes and holistic, equitable services to its customers, along with nurturing the potential of all its valued team members.

You will be responsible for implementing strategic, operational and risk management plans. You will lead a large team incorporating supported services, assets & maintenance, and neighbourhood services. Your technical expertise in contract management, systems, processes and project management, will be combined with an innovative, "big picture" approach to management.

Ideally you have senior experience in social housing management, funding and in the principles of access equity, cultural diversity and customer service. You are currently a senior manager with a key focus on contract, program, risk and people management.

If you're a passionate senior manager and want to advance your career in an award winning, best practice housing provider then forward your CV to cv@ngorecruitment.com quoting reference #29806 or phone Olivia Ryan on 02 8243 0570.
