

# communications manager

- **Staff management – lead a small team**
- **Suit business development professional**
- **12 month contract – possible extension/perm**

As part of one of Australia's most respected universities, this institution will soon be Australia's first fully graduate law school. They offer Graduate, Post Graduate and Graduate Research program.

As part of a dedicated team of external relations professionals, you will create and implement a faculty and stakeholder engagement strategy including website, communication materials production, planning and executing events, as well as media relations; ensuring compliance with university branding guidelines.

You have a relevant postgraduate qualification and substantial experience in the development and delivery of communications strategy, ideally within legal services.

**If delivering a best practise communications strategy in legal education services is of interest to you please email your resume to [cv@ngorecruitment.com](mailto:cv@ngorecruitment.com) or call Shiree Thomas on 03 9225 5100 quoting reference 29688.**
