

**Heart Foundation**

## **data analyst, raisers edge expert**

- **CBD, immediate start**
- **Travellers welcome**
- **2 months + contract**

This leading health charity funds world-class cardiovascular research, supports health professionals, health promotion and education, and assists people with cardiovascular disease. They have a best practice fundraising program that ensures Australians continue to receive the very best heart health information.

You will ensure this charity stores, maintains and utilises data in an effective manner to achieve their fundraising goals. This includes assistance with the management of fundraising databases and integrated systems, data quality management and fundraising business intelligence analysis.

To be considered for this contract opportunity you must be able to demonstrate recent experience in a similar position, have a working knowledge of Raisers Edge, SQL & ideally advanced Crystal Reports.

An immediate start is available, while there may be opportunity to be considered for permanent employment this position is initially approx 8 weeks so travellers please feel free to apply.

**If you would like to use your technical skills to support this foundation fight disease please contact Narmie Veerasingam on (02) 8243 0570 or email your resume to [cv@ngorecruitment.com](mailto:cv@ngorecruitment.com) quoting ref # 30583.**
