

database marketing coordinator

- Expanding fundraising team
- Best practice environment
- North Parramatta

Northcott Disability Services provides support to 10,000 clients with a disability in NSW & ACT, their families and carers, via a range of over 100 services which promote a genuinely inclusive society. Clients with rare or lesser known disabilities find Northcott to be the only provider of appropriate support and services.

This is a crucial role within the fundraising team that underpins the success of all donor relationships. You will maintain the donor database, prepare and segment data for appeals and assist the Fundraising Manager to develop campaigns to acquire new supporters.

You have a marketing background with experience in database management, direct mail and/or donor or customer care. You can demonstrate meticulous attention to detail, have strong analytical and writing skills and a flexible, energetic approach to your work.

If you would like to use your skills to acquire new supporters and raise funds for Northcott services, please send your resume and covering letter to cv@ngorecruitment.com quoting # 30433 or contact Annie Barker on (02) 8243 0570 for further information.
