

## deputy chief executive officer

- **Ensure genuine media access & social inclusion**
- **Mentoring opportunity for aspiring CEO**
- **Attractive salary package & flexible work culture**

Media Access Australia (MAA) helps disabled and other disadvantaged people with access to electronic media and information using technological solutions and works to ensure the participation in the new electronic society by seeking services that bridge the digital divide.

In this newly created role you will work in partnership with the CEO to manage the organisation, develop concepts into feasible projects and seek and secure funding. You will have responsibility for the strategic project business plan and will work with day-to-day project teams.

You have demonstrated success in securing project funding and a knowledge of government/private philanthropic funding processes, probably gained in a commercial or entrepreneurial public environment. You have the ability to manage projects from conception to conclusion and experience in financial management and budgeting. Knowledge of the communications industry would be a distinct advantage.

**If ensuring media access for all Australians is important to you please contact Olivia Ryan on 02 8243 0570 or forward your CV to [cv@ngorecruitment.com](mailto:cv@ngorecruitment.com) quoting ref # 30145.**
