

development manager

- **Join the global team working to prevent blindness**
- **Newly created 'income generating' role**
- **Corporate experience welcomed**

Operation Eyesight (OE) is an international development organisation dedicated to eliminating avoidable blindness.

OE has saved the sight of millions of people in India and in African countries where blindness can be deadly to the very young, old or poor.

Internationally, OE is focusing on Australia as a growth market for fundraising and has created this role to harness support from individuals, Trusts & Foundations and corporates in the form of major gifts, grants, sponsorship, cause related marketing and partnerships.

You have a track record in 'making the ask' in either a philanthropic or corporate environment resulting in significant support or sales. You're able to demonstrate strong interpersonal skills utilising your highly tuned business development experience working with senior executives, board directors and high net worth individuals.

If you'd like to apply your development skills to preventing blindness, please send your resume to cv@ngorecruitment.com quoting ref # 30915 or contact Richard Green or Annie Barker on (02) 8243 0570 for further information.
