

fundraising - account director

- **Leading Australian and NZ fundraising agency**
- **Advertising agency background welcomed**
- **Significant remuneration plus OTE**

2Evolve is a leading direct marketing and sales agency specialising in fundraising for Australian and NZ not for profit organisations.

2Evolve's clients include leading International NGOs and domestic charities who all take a strategic approach to income generation.

This newly created role will significantly expand the fundraising services available to existing and new clients. Initially you will be responsible for program and business development and then once momentum is created, implementation and ongoing client management.

Ideally you have an in-depth understanding of all aspects of fundraising combined with account management skills but overall you are driven to build the business. You are hands on, yet strategic and have a track record in planning and running campaigns with a focus on ROI and donor lifetime value.

If building a business unit to deliver significant results for leading fundraising organisations motivates you then please phone Richard Green on 02 8243 0570 or forward your CV to cv@ngorecruitment.com quoting Ref. 29891.
