Catholic Mission is the Australian arm of the Catholic Church's global mission aid agency which operates in over 160 countries across Asia, Africa, South America and remote Australia. Catholic Mission reaches out through inspirational missionaries to oppressed children and communities and provides vital training for emerging church leaders.

Your focus will be to continue the steady growth of Australian donors already contributing to the Catholic Mission's global work. You will lead a team that is focused on developing long term donor relationships via a high level of personalisation and database driven strategies of traditional and new media direct marketing and face to face campaigns.

You are a mature fundraising professional with negotiation skills enabling you to work with the community of church stakeholders. You have a track record in donor acquisition, retention and upgrade as well as the management of bequest, major gift and corporate programs. Ideally, you have managed a similarly complex national fundraising operation with an appreciation of best practice.

If you would like to advance the work of this highly credible Catholic agency please contact Richard Green or Annie Barker on (02) 8243 0570 or send your resume to cv@ngorecruitment.com quoting reference # 30702.
