

international programs & grants officer

- **Leading international development agency**
- **Travel opportunities**

WaterAid Australia is an international NGO dedicated to the provision of safe domestic water, sanitation and hygiene education to the world's poorest people, helping them break free from the stranglehold of disease and poverty.

This newly created role will develop, submit and manage funding proposals primarily to institutional donors such as AusAID, DFID UK, USAID and the European Union. You will work with grant funding units in the UK, USA, Sweden and India and the International Program staff in Melbourne and overseas to nurture relationships with funders, prepare projects for funding and manage successful contracts. You will also facilitate "start up" and capacity building workshops.

You have a track record and qualifications in effective research, writing and communications in the preparation of submissions for grants, ideally for, but not limited to, International NGOs. You have also provided management, budget and administration support for efficient program implementation.

If you would like to utilise your project management skills to build a better world please call Richard Green on 03 9225 5225 to discuss your application or email your resume to cv@ngorecruitment.com quoting # 30129.
