

manager sustainable communities and partnerships

- **First class community housing provider**
- **Internal and external focus**
- **Significant remuneration package**

Hume Community Housing is a provider of a range of tenancy, property management and support services to individuals and families in Western Sydney. Hume works to provide high quality homes and wholistic, equitable services to its customers, along with nurturing the potential of all its valued team members.

This senior position involves managing a highly qualified team who take a wholistic approach to providing a range of programs that ensure tenant services are responsive to changing needs through research, strategic planning and program evaluation. You will lead, sustain and develop the 25 support agency partnerships and actively seek new partners to grow the program.

You are currently a manager in a progressive Community Housing or Social Welfare organisation and have an in-depth understanding of best practice planning, implementation and evaluation of community development processes. Your track record in making a decisive contribution to organisational culture and effectiveness will be highly regarded.

If you're a passionate senior manager and want to advance your career in an award winning, best practice housing provider then forward your CV to cv@ngorecruitment.com quoting reference #30955 or phone Sadie Kelly on 02 8243 0570.
