

Australian
Cancer Research
Foundation

marketing & communications assistant

- **Leading cancer research foundation**
- **Emphasis on internet marketing**
- **CBD location**

The Australian Cancer Research Foundation (ACRF) is dedicated to helping find a cure for cancer through the continued support of world-class research in Australia. The Foundation has awarded \$55 million in grants to support leading research initiatives, ensuring Australia is at the forefront of global cancer research.

This role assists in the raising of donations and other support from individuals, volunteer groups and the corporate sector via the coordination of third party events, appeals and workplace giving. Via the extensive use of technology and social media you will work within the fundraising team to produce material for the web, e-marketing campaigns, direct mail and other communication.

Ideally you are degree qualified and passionate about internet marketing technologies including mass email, micro-sites, web forms, Basic HTML, Photoshop & Dreamweaver. You must be a social media advocate with strong writing and analytical skills, including proficiency with Excel, (Pivot Tables, Formulas and vlookups).

If working for one of Australia's leading cancer research Foundations is a career motivator then please call Richard Green on 02 8243 0570 or forward your resume to cv@ngorecruitment.com quoting job # 29956.
