

fundraising manager

- **Support people with spinal cord injuries**
- **Greenfield opportunity - significant potential**
- **Attractive salary package**

For over forty years ParaQuad NSW has strived to empower people with spinal cord injury, their families and carers to achieve their full potential. ParaQuad provides vital home based care, supported accommodation, clinical services, products, education, training and advocacy.

This newly created role will design and develop a strategy encompassing a range of relationship based, public relations and data driven fundraising programs. This long term strategy will generate income and raise awareness via annual appeals, regular and major gifts, grants, bequests and commercial partnerships.

Ideally, you have a track record across all disciplines of best practice fundraising, stewardship programs, donor communications, PR and corporate sponsorship. Your confident, mature attitude, intellect and quality presentation will be important attributes. Crucially you are able to "make the ask" resulting in significant support.

If empowering people living with a spinal cord injury and their family and carers is important to you then please phone Richard Green on 02 8243 0570 or forward your CV to cv@ngorecruitment quoting job # 29759
