Working with the senior executive team you will develop, manage and leverage community and corporate partnerships, including with individual donors, Trusts, Foundations and bequestors. You will identify prospects, nurture relationships and encourage a culture of philanthropic giving and sponsorship.

You have successfully developed partnerships in either the not for profit or corporate sectors which have led to the raising of new and significant income. Your maturity and presence combined with your ability to 'make the ask' will be excellent attributes for success.

If you would like to utilise your skills to make a direct and lasting benefit to your community then contact Richard Green on 02 8243 0570 or email your resume to cv@ngorecruitment.com quoting #30434.
