

supporter engagement coordinator

- **Prestigious medical research institute**
- **Commercial experience welcomed**
- **Career making opportunity**

The Garvan Institute is one of Australia's leading medical research institutions with approximately 500 scientists, students and support staff working in research areas such as Cancer, Diabetes & Obesity, Immunology, Osteoporosis, and Neuroscience. The Garvan Research Foundation is responsible for creating a community of support for the Institute's research and for raising philanthropic funds.

You will assist the Supporter Engagement & Care Manager in implementing direct marketing fundraising strategies to engage existing donors to increase their level of giving and attract new supporters to grow and diversify the Foundation's income sources.

You have a proven track record coordinating direct marketing campaigns, a strong understanding of DM principles, experience in print management and an understanding of new media marketing. Your numeracy skills are highly developed, you have meticulous attention to detail and the ability to manage conflicting priorities.

If you would like to contribute to the fundraising efforts for the Garvan, please contact Annie Barker on 02 8243 0570 or forward your resume to cv@ngorecruitment.com quoting # 30336.
