

trusts and foundations fundraiser

- **Make a vital contribution to the health of residents in Melbourne's east**
- **2 days a week**

Incorporating health services in Melbourne's east including Box Hill, Angliss and Maroondah Hospitals, Eastern Health provides a full range of acute, rehabilitation, ambulatory and mental health services to over 800,000 patients annually.

You will contribute to a small but growing fundraising team to seize new and existing funding opportunities. Produce inspiring and compelling proposals and applications in order to secure philanthropic support. Develop solid relationships through face to face meetings, deliver persuasive and professional presentations and provide accurate and timely reports to donors.

You will have a successful track record in raising significant support from trusts and foundations, major donors or corporate sponsors. Your brief is to identify and secure philanthropic support to reach financial targets in a highly competitive market. Your effective research, written and personal communication skills will point to your success.

If you would like to utilise your proven negotiation skills to improve the health of people living in Melbourne's east, apply online, or contact Ant Clark on 03 9225 5100 to discuss your application.
