

**Victor Chang**  
Cardiac Research Institute

## chief operating officer

- **World class heart research facility**
- **Career building opportunity**
- **Salary package to attract the very best**

The Victor Chang Cardiac Research Institute (VCCRI), established in 1994, is a not-for-profit centre of excellence in biomedical research. Employing more than 150 staff, the Institute is housed in a new purpose-built facility and undertakes cutting edge research.

Reporting to the Executive Director, you will be responsible for managing the day-to-day activities of the Institute. Your focus will be on strategic, tactical, and both short and long term issues.

You will possess exceptional financial, management and administrative skills and ideally hold a relevant postgraduate qualification (MBA or equivalent). Experience in biomedical science would be helpful but is not essential. Remuneration will be generous and commensurate with level of experience.

*VCCRI is an EEO employer.*
