

chief executive officer

- **Lead co-operative housing in NSW**
- **Strategic, change management position**
- **Career making role**

Common Equity NSW is a newly created not for profit company in the housing sector whose members are co-operatives located in Sydney and regional NSW. Common Equity provides its members education, resourcing, compliance, planning, structural maintenance and capital upgrades to properties. It manages housing growth through the use of surplus funds, borrowings and grants.

This role will be responsible for the growth, viability, accountability, continuity and cost effectiveness of the company and of member co-operatives. You will resource the Board of Directors in key areas of operations and implement adopted policies. You will provide strategic direction and governance support as well as general, financial and human resources management.

You have high level management, policy and advocacy experience and a commitment to social justice. You have worked to volunteer Boards and have driven organisational change. Ideally, you understand service delivery and policy within the community and co-operative housing system, however more important will be your high level negotiation and representational skills.

If you are enthusiastic about leading this community housing organisation through a dynamic period of change please contact Olivia Ryan on 02 8243 0570 or forward your resume to cv@ngorecruitment.com quoting ref # 30013.
