

## database co-ordinator

- **Be part of Red Nose Day**
- **Use your database skills to grow this iconic event**
- **Play a key role in a small, enthusiastic team**

SIDS and Kids NSW provides 24 hour bereavement support for individuals and families who experience the death of their baby during pregnancy, birth and infancy. This includes miscarriage, stillbirth, neonatal death, sudden infant death (SIDS) and the death of a child up to 6 years of age.

This hands-on role is primarily responsible for management and maintenance of the organisation's database, as well as working as part of the team to increase participation and fundraising income from Red Nose Day and other appeals in NSW.

Use your skills in database segmentation and analysis to recommend strategies to involve schools and individuals in the event. You will manage and co-ordinate volunteers, donor and supplier relationships and be a team player.

**If you have database skills and wish to use your talents working in this highly regarded community organisation, this could be the perfect role. Call Heather Knights on 02 8243 0570 or send your resume to ngo\_141@ngorecruitment.com.**
